OPEN FOR BUSINESS

City of Coquitlam: Countless Development Opportunities

Coquitlam and the Northeast Metro Sector will see billions of dollars of investment in new transportation in the next five years. A new Port Mann Bridge and a new Evergreen Line will result in significant development opportunities in Coquitlam.

From the emerging City Centre to the bustling Lougheed-Cape Horn Corridor, there are countless opportunities for developers. Coquitlam is committed to working with developers to ensure healthy profit margins, while creating high quality urban environments where their citizens are proud to live, work, learn and play.

Mayor Richard Stewart will be speaking about his City's new infrastructure and emerging development opportunities.
